Darrin was a loving husband who showed each and every day his most valuable accomplishment was the love and care he provided and gave to the

love of his life, Jessica.

He was a faithful son, grandson and brother who cherished the moments spent with those he loved and felt closest to. Included within that love was the never-ending attention he showed to his fur babies Jax & Klaus.

In his free time he enjoyed collecting all types of memorabilia, passing time with his favorite video games and playing foosball where he won multiple world and state championship titles.

Most did not know he found a passion for writing and was on the verge of completing his first science fiction novel with only one chapter away from completion.

His joy for his career was seen by many sitting here today, with an accomplished work ethic that almost any would vouch for.

He valued the long term friendships he made both in and out of work, holding onto many from years ago and never losing sight of the importance they have within his life.

A Mass of Christian Burial will be celebrated at 10:00am, on Friday, April 16, 2021 at Sts. Simon and Jude Catholic Church, 26777 Glen Loch Drive in The Woodlands, Texas.
