David was a dreamer, a man with vision that transcended reality, a giver, a

natural care-taker, a comedian, a chef in his own right, a lover with zero malice in his soul, a son, a brother, an uncle, a friend, and the most genuine person you could ever find. His smile was brighter than the stars that lit up the night sky, and his presence was warmer than the sun. The funniest man on earth when all was said and done.

David loved to draw, he loved nature, especially flowers, he loved to eat, he was a connoisseur of all the finer things that life had to offer, and he was a true finesser with unparalleled charm. As an artist and musician, his creativity always saw fruition.

David was our angel, our light, and the person who will bring us strength and might. Although he is gone, let us never forget the beautiful soul we were blessed to have met.

A funeral service for David Trujillo will be held at 1:00 p.m., Saturday, August 8, 2020 at Joseph J. Earthman Generations, 234 Westcott Street in Houston, Texas.
