“ Eric has always been a close friend to our family and will be dearly missed. He was without a doubt a part of our family and I will always consider him so. I remember the last time we spoke. We talked about my mom and how much he loved her and the rest of the family. He truly did and the feeling was mutual. My heart goes out to his family, especially his children. The Keirnans, Farrars, Mercers, Michaleks and all the rest love you and are thinking of you in your time of loss.

“ Eric,
I love ya! You had a smile and a sense of humor to light up every room. You had a heart of gold. A man that loved his kids deeply, his Feigl clan, and his sister from another mother-me.
You are forever in my heart and I’ll be waiting for your twinkle from heaven. May your love shine for others to see. Until we meet again.
Love you brother.

“ We’ve known Eric since he was 8 years old. Grew up on the same street. We had such a great time doing what kids do with a street full of our own age folks. Have kept in touch through the years. Will continue to remember the good times together. RIP ole friend. Love ya!! Danny Bernal
