

Grant Howard Thompson

February 17, 2020

Grant Howard Thompson, beloved first son of Ryan and Shannan Thompson, was born sleeping at Memorial Hermann Memorial City Medical Center on Monday February 17, 2020. His paternal grandparents Brett and Sharon Thompson and maternal grandmother Robbin Oldham join in grieving the loss of our precious baby. Grant is also celebrated by several aunts, uncles, cousins, and friends. Grant gave us a lifetime of love during his brief time on earth. Our beautiful baby boy, we will always miss and love you. Please keep our family in your thoughts as we prepare for coming to terms with our lives here without him.

Ryan and Shannan will be forever grateful to the doctors, nurses, and staff at Memorial Hermann for all of their compassion and support during this very tough time.

The Now I Lay Me Down To Sleep Foundation provided a volunteer photographer to record Grant's short life with us. We would be honored to have you support their mission to help other grieving parents through their remembrance photography at: <https://www.nowilaymedowntosleep.org/donate/>

“ Allen Reed lit a candle Dear Shannon, I am so sorry for your loss. I can not even imagine the heartbreak you are feeling, I can only share with you my deepest sympathies and compassion. I remember what an amazing friend to me you were when we were little. I used to get to watch scary movies with you at your house that my parents wouldn't have ever let me see otherwise and we went to go see Jurassic Park when it first came out and during the scene with the T-Rex you squeezed my arm so hard I thought I might lose my hand! I remind you of this in hopes of gifting you a little smile for your day and to remind you that through all the pain and sorrow your life is still a blessing that you have shared with so many people along the way. Sending my love to you and your family. Stay strong and feel free to reach out if you ever need to talk! Your old friend,
Allen Reed
