“ Stacy,
Your are in our prayers and thoughts constantly.

Scooter was the best of all of us. To have a man care so much about so many gives hope for humanity. He loved those he loved with a passion and embrace that could crush a heart. He was too gentle for this place and only God's love will fill the void left by Scott's death. It is said that you can see into the soul of a person by how they treat an animal. If that is true, Scott's soul is as deep as an ocean; he loved those four-legged friends so much. Tight lines my friend; there will never be a wade the same again.

“ Scott,
You were a great friend, one who never refused a request to help someone who asked. I enjoyed the many years of fishing trips, some hunting, lots of BBQ cookoffs – they were truly good times. I offer my deepest sympathies and condolences to Stacy, your Mom, Lisa, Sheri, Michael and the rest of your family. This world was a much better place with you in it.
