“ Dear Aunt Lupe,

What a wonderful blessing you have been to our family! All the special memories of not just having Bama Jelly but any flavor you wanted! You taking care of all 4 of us must have been a challenge but what wonderful memories to have! Spending the night at your house and playing four-hour monopoly games and watching Saturday Night Live until midnight, you made us feel like we were big teenagers when actually were just little kids! Lol! As I look back now I can't thank you enough for being such a sweet kind aunt! It was an honor to be able to help do the handyman work at your house and spending time with you. It made me feel good to give back to you for all the love you gave to me and to us. I know this is not a goodbye but a see you later. Rest in paradise until we meet again. You may have called me your hero but truth be told you were my hero! I love you with all my heart Aunt Lupe!

*Love,
Ronnie*
