

Marie L. Coronado

January 19, 2015

Maria Luisa Coronado, age 60, passed away in her home January 19, 2015.

She was born in Monterrey, Mexico on June 21, 1954 to Antonio and Gloria.

She is survived by her children Sabrina (husband Leonard), Michael (wife Jennifer), David, and Bobby (wife Megan); grandchildren Timothy, Christa, Alyssa, Lucas, Tony, and Chloe; brothers Frank, Martin, Marco, Roman, and Chris; sisters Lourdes and Angela.

Most beloved at her church of over 20 years, she was involved in many ministries within the church but her passion was to sing in the choir. Always looking to find success and enjoying new adventures, her entrepreneurial spirit kept her busy.

She raised her 4 children in a family centered home, always keeping things upbeat, fun and energetic. She was an anchor; instilling good memories, values and beliefs and helping to build their character and broaden their passions.

She loved much, gave generously, pursued life's adventures and brightened any room she entered. Her laughter and unending smiles will be truly missed.
