“ *Michael & my husband, Steve, were best friends when Steve & I met in 1981. I give a lot of credit to Michael for us getting married almost 42-years ago. He was Best Man at our wedding and our son, Scott's middle name is 'Michael'. As we all age - our lives go in different directions & unfortunately we don't get to see those important to us as often as we would like or should. Our condolences go out to all of his family. Michael was truly 'one of a kind' and will be missed. Steve & Gerry Fuller*
