“ MIRIAM LOPEZ " RICH'ARD "
*is a exceptionally intelligent person. She and I made a family back in the day that was loving and fun we never lost touch with each other. A great man once said;
" They that love beyond the world, cannot be separated by it.
For death is no more than a turning of us over, from time to eternity.
Death cannot kill what never dies."
See you later Miriam, Love you, " NO MATTER WHAT "*
