“ Rachel Okoro lit a candle My sincere condolences to the family. Matthew 5 says “Blessed are those who mourn for they will be comforted.” I pray that the Lord gives you peace beyond understanding in your time of grief. “He will wipe every tear from their eyes. There will be no more death' or mourning or crying or pain, for the old order of things has passed away.” You are at rest Mrs. Doyle continue to sleep with the angels.

“ Another "neighborhood" mother has been lost with her passing and her generation. Growing up in Nassau Bay I knew she lovingly watched over all of us: playing sandlot football in her front yard, going to CCD classes, competing in local swim meets. She was always there. She cared, she got involved. As I look back I realize just how remarkable she was.

“ Donna Mello lit a candle She was such a dynamic and active person. I remember how she would scurry around the kitchen with so much energy; making some wonderful new dish. Her cookies were wonderful! My sincere condolences. Donna Mello
