Suzanne Marie Seeberger Grosch, 61, lost her battle with Ovarian cancer on February 15th, 2021. She was born in Houston, TX to Perry and Frances (Marino) Seeberger. She is preceded into death by her mother and father, brother Michael Seeberger, and Godson Michael Seeberger, Jr. She is survived by her loving husband Mark Grosch, daughter Michelle Ryza and Frank Garcia, son Matthew and Courtney Ryza, daughter Samantha Grosch, granddaughters Guinevere Ryza, Riley Ryza, and Francesca Garcia, brother Perry and Kim Seeberger, and countless cousins, nieces, and nephews.

Suzanne attended St. Theresa School and St. Pius X High School, where she graduated in 1977. She was a loyal Schlumberger employee for over 30 years. Suzanne's love of her family and Italian heritage was portrayed in the many holidays spent together, honoring traditions passed to her from generations before, as well as new ones she started. She always welcomed family and friends to join. Suzanne loved to be the life of the party and made lasting impressions on everyone she met. She made everyone feel like they were a part of the family.

Your were always available to help, listen, or just liven things up. Your smiling face made my days better, and I know it did the same for countless of our colleagues for decades. The place will never be the same without you. I miss you and hope you are running the party somewhere out there too. Love you, and sending all our condolences to your family.*

“ Sean McCoy lit a candle So many great memories of getting to know her, her husband and kids through softball and Schlumberger. My life wouldn't be what it is today if she hadn't been willing to let me help her organize all things softball while I was at SLB. The tournament we created led to Derricks & Diamonds which raised millions of dollars for kids with cancer. She loved her family and others families. A legacy of big smiles and hearty laughter. The world was better with her in it. My deepest love to her family.
